PRESENT MAKERS 2023

THG is looking for South West designer makers who produce high quality work (either one-offs or small scale production) to feature in our annual Christmas selling exhibition of contemporary craft and design.

Present Makers 2023 showcases creative innovation across craft and design including glass, wood, paper, textiles, prints, ceramics, furniture, jewellery and also includes Christmas gifts, decorations and cards.

This year, we are shining a spotlight on glass through our collaboration with the Contemporary Glass Society (CGS). We are extending our call out to CGS members who live and work in the South West.
